INTERESTING FACTS

- The DoubleTree Palm Beach Gardens Hotel and Executive Meeting Center is the Worlds' Only IACC, Gold LEED Certified PURE air Meeting facility.
- Offering 13,700 Square Ft. of state-of-the-art technology that was designed for the purpose of conducting corporate training programs for up to 140 guests. The free-standing Executive Meeting Center opened its doors in 2009 and is furnished in majority with recycled materials taken from within a 500 mile radius of the hotel, thus minimizing their carbon footprint.
- Some of the more fun recycled items include the bicycle chairs and stoplight-light fixtures. The PURE air system installed in the building affords a 99% allergen-free environment that produces mountain-crisp air for increased alertness. Built-in projectors with drop-down screens, electric window shades, and complimentary internet connectivity are just a few of the perks that meeting attendees can enjoy.
