

CASF ANNOUNCES 2025 CRAFTSMANSHIP AWARD WINNERS

For the 67th straight year, CASF is honoring scores of South Florida craftsmen with its coveted Craftsmanship Award. As is its tradition, CASF is recognizing the 2025 awardees for exceptional work in a variety of categories segmented by CSI codes.

Each 2025 winning craftsman will be formally recognized at the 67th annual CASF Craftsmanship Awards, to be held Thursday, November 20, at the Margaritaville Resort in Hollywood Beach, Fla. Every craftsman will be presented with customized “Custer” Award. The award is so named in recognition of John E. Custer and his decades-long contributions to producing the CASF Craftsmanship Awards.

In addition to presenting each winning craftsman with a 2025 Custer, CASF will present commemorative plaques to each craftsman’s employer. The GCs represented by this year’s Craftsmanship Award winners includes Americaribe-Moriarty JV, ANF, Balfour Beatty, Brasfield & Gorrie, Coastal Construction, Fountainbleau Development, Greystar, Gulf Building, H&M Development, HITT, Kast, Kaufman Lynn, Miller Construction, MOSS, PCL, Robins & Morton, Shawmut, Stiles, Stiles Hooper JV, Stiles McHugh LLC, Suffolk Construction, Summit General, Turner Construction, Verdex, Westbrooke and Whiting-Turner.

For more information, or to register for the Craftsmanship Awards, call (954) 974-6333 or go to casf.org.
