

CASF HONORS SOUTH FLORIDA’S TOP CRAFTSMEN AT 68TH ANNUAL CRAFTSMANSHIP AWARDS

Winners to be celebrated November 5 at Margaritaville Resort in Hollywood Beach

The Construction Association of South Florida (CASF) has announced the winners of its 2026 Craftsmanship Awards, continuing a 68-year tradition of honoring the region's most skilled construction craftsmen. This year, CASF is recognizing 85 craftsmen for their exceptional work across the full range of trade specialties organized by CSI codes.

CASF will formally honor these winners at the 68th annual CASF Craftsmanship Awards on Thursday, November 5, at the Margaritaville Resort in Hollywood Beach. Each craftsman will receive a customized “Custer” Award, named for John E. Custer in recognition of his decades of service producing the Craftsmanship Awards. In addition, CASF will present commemorative plaques to each winner’s employer in recognition of their commitment to quality as a subcontractor.

The projects represented by this year’s winning craftsmen also feature a who’s who of South Florida general contractors, including ANF, Balfour Beatty, Brasfield & Gorrie, Butler Construction, Coastal Construction, Fine Line, Finrock, Fontainebleau Construction, Hedrick Brothers, Kaufman Lynn, Layton, GT McDonald, Miller Construction, MOSS, NV2A, Robins & Morton, Skanska, Stiles, Turner Construction, Verdex and Whiting-Turner.

For more information or to register for the Craftsmanship Awards, call (954) 974-6333 or visit casf.org.
